**Subject: 27<sup>th</sup> "TRANSALPINE TROPHY" –LIGNANO SABBIA D'ORO (UD) 3-5/1/2019.**

Dear President,

It's my pleasure to be able to contact you to let you know about a new initiative on behalf of the Italian Table Tennis Federation.

In fact, at the beginning of 2019 the Organization I preside over will organize the 27th edition of the Transalpine Trophy, having "inherited" the organizational responsibility from the "Historical" administrators of the Organizing Committee.

It is a sports event dedicated to the young people of the Alpine Range countries that we would like to re-launch to enhance the cultural landscape and human values of the Alpine territory and bring the U12 youths of our and your regions closer to their peers in the neighboring territories.

I would like to involve the Committees and Clubs of the Alpine regions of your country so that they can learn about this initiative and possibly participate in it.

We propose an extraordinary event (which also includes an event for Mixed Teams) in a particularly welcoming environment with very affordable costs.

To this regards, I inform you that for the whole period the Hotel accommodation costs is € 90,00 per person (double/triple room in full board) an € 120,00 in single room, included transportation from/to Venezia and Treviso airports.

Therefore, we send you the Prospectus and the Entry Form so that you can please send this info out to potential interested parties of the Alpine Regions, and I inform you that the deadline is fixed to 19/12/2018.

Looking forward seeing all of you next year in Lignano, I send you my kind regards.

The Italian TT President

Renato Di Napoli
